Conversation Starters

A guided collection of questions designed to help couples slow down, reconnect, laugh, listen, dream, and grow together.

Some questions may create laughter, while others may open the door to deeper conversations. The goal isn't to fix everything in one night. The goal is to keep choosing **us**.

- To make room for laughter.
- To protect time for each other.
- To speak with honesty and compassion.
- To keep learning each other.
- To fight for our relationship—not against each other.
